Codebook for DRC Data Set

Variable	Description
d_listCRSV	List Experiment 1 - Treatment Group 0 - Control Group
list1_CRSV	List Experiment You remember the question where you did not tell what you experienced, but only told me how many of the things you experienced? We will do this one more time. Now, I would like you to use __\${nb_items} stones__. Just as before, hold these stones behind your back in your left hand. I'm going to read out some statements. If this ever happened to you, pass a stone from your left hand to your right hand. At the end, I will ask you to show me how many stones are in your right hand. Are you ready? Have you ever experienced one of the following things? (1) I moved away from my original place of birth. (2) I have lost a family member in an armed group attack. (3) I or a member of my household has been raped by an armed group. (4) I have experienced looting or theft of my house or property. Now, please show me how many stones you hold in your right hand.

	0 – 4 Items
